

# 43 Inch Smart UHD TV with Google 5.0

Smarter, Sharper, Seamlessly Connected

## Experience Ultra HD Clarity

Step into a world of vivid colors and crystal-clear detail with our 43-inch Smart UHD TV. Featuring 4K Ultra HD resolution (3840 x 2160), 250 cd/m<sup>2</sup> brightness, and **72% NTSC color gamut**, every scene pops with life. The 178° wide viewing angle ensures exceptional clarity from virtually any seat in the room. With an 8ms response time, motion remains smooth—perfect for sports, games, and fast-paced action.

## Powered by Google TV 5.0

Enjoy the full power of the **Google TV 5.0 operating system**, designed to deliver a more personalized and content-rich smart TV experience. Seamlessly integrate your favorite apps like **YouTube**, **Netflix**, **Disney+**, **Prime Video**, and many more—all accessible via Google Play Store.

Google TV intelligently organizes your content across platforms, delivering personalized recommendations based on your viewing habits. With **Google Assistant** built-in, you can control your TV, check the weather, or search for content using simple voice commands.

## Seamless Chromecast & Smart Home Integration

With **Chromecast built-in**, stream content instantly from your Android or iOS device straight to your TV screen. Connect your smart home devices and manage them right from your TV using Google Assistant voice control.

## Stable Performance, Reliable Operation

The upgraded system is backed by a **quad-core CA55 CPU** and **G31 GPU**, ensuring smooth navigation and quick response. The **2GB RAM** and **16GB eMMC** storage provide ample power for multitasking and app usage, all while maintaining stable performance without freezing or crashing.

## Cinematic Sound and Eco-Conscious Design

Enjoy rich, clear sound with **dual 10W speakers**, designed to enhance movies, music, and dialogue. This TV is also designed with energy efficiency in mind—consuming just **49.5W** (Standard mode) during operation and less than **0.4W** on standby, keeping your environmental impact low.

## Enhanced Connectivity Options

Stay connected with **dual-band Wi-Fi and Bluetooth**, ensuring smooth streaming and easy device pairing. Multiple ports are included to support all your home entertainment gear: RF IN, AV IN, HDMI x3, USB 2.0 x2, RJ45 Ethernet, OPTICAL audio out.

Whether it's a soundbar, gaming console, or media player—you're covered.

## Google Voice Remote

The TV includes a **Google Voice Remote** with built-in microphone for hands-free control. Quickly access Google Assistant, navigate menus, or launch your favorite apps with dedicated streaming service buttons.
